

David Gilmour - On An Island

On An Island 6th March 2006

“Take A Breath” (Gilmour & Samson)

Take a breath
Take a deep breath now
Take a breath
A deep breath now
Take a breath
Take a breath
Take a deep breath now
Take a breath
A deep breath now
Take a breath
Take a breath
Take a deep breath now
Take a breath
A deep breath now
Take a breath.

When you're down is where you find yourself
When you drown there's nothing else
If you're lost you'll need to turn yourself
Then you'll find out that there's no-one else.

To make the moves that you can do
When you fall from grace your eyes in blue
Your every breath becomes another world
And the far horizon's living hell.

Take a breath
Take a deep breath now
Take a breath
A deep breath now
Take a breath
Take a deep breath now
Take a breath.

This kind of love is hard to find
I never got to you by being kind
If I'm the one to throw you overboard
At least I showed you how to swim for shore.

When you're down is where you know yourself
That if you're drown there's nothing else

When you're lost you' ll need to find yourself
Then you'll find out that there's no-one else.
