“Eyes of a Gypsy” (Wright)

Ooh gipsy
She knows the meaning of life
Knows what the future will hold
Secrets inside the eyes of a gipsy.

Stories that play with your mind
Reasons with no explanation
Things that you find
Through the eyes of a gipsy.

Seems that she knows
Everything shows
Plays with your soul
She is taking control.

She knows the meaning of life
Knows what the future is holding
Secrets inside the eyes of a gipsy.

Maybe a gipsy will do what she says
Maybe a gipsy with serious ways
And see what you're feeling by reaching inside
Your secret emotions
Controlling your mind.

Seems that she knows
Everything shows
Plays with your soul
She is taking control.

Stories that play with your mind
Reasons with no explanation
Things that you find through the eyes of a gipsy.

Seems that she knows
Everything shows
Plays with your soul
She is taking control.

Maybe a gipsy will do what she says
Maybe a gipsy with serious ways
And see what you're feeling by reaching inside

Your secret emotions
Controlling your mind.
